TRANSLATOR NEEDED!

WE MANAGED TO GET THIS CHAPTER OUT, BUT WE STILL DON'T HAVE AN OPTION FOR CHAPTERS 92-98, SO GET READY FOR AN HIATUS IN RELEASES FOR THE NEXT SEVEN WEEKS... UNLESS WE FIND SOMEONE.

ONE OF OUR LAST RESORTS IS THIS RECRUITMENT AQ, WHICH IS A FIRST FOR DICES-CANS. THIS IS IN THE HOPE THAT OUR PLEA GOES BEYOND THE REACHES OF OUR BLOG. LET'S SEE IF THOSE AGGREGATORS WHO HAVE HAPPILY REHOSTED OUR WORK FOR THE LAST 30 OR SO CHAPTERS CAN AT LEAST HELP US THIS WAY.

WE JUST NEED SOMEONE WHO IS GOOD ENOUGH IN KOREAN TO PRODUCE A WEEKLY SCRIPT BETWEEN SATURDAY WHEN THE RELEASE OCCURS AND TUESDAY (SO WE CAN USE THE REST OF THE WEEK FOR EDITION). IT'S JUST SEVEN WEEKS, AFTER THAT JIN WILL BE BACK. IF YOU FIT THIS DESCRIPTION AND ARE INTERESTED, PLEASE SEND AN EMAIL TO [SPLICER \(DOT\) NIL \(AT\) GMAIL \(DOT\) COM](mailto:SPLICER (DOT) NIL (AT) GMAIL (DOT) COM). THANK YOU.

Hello

I am the author and writer of
DICE, Yoon Hyunseok.

This week's DICE will be on hold due to
an unavoidable personal circumstance.

I ask for you readers' understanding.

To put it simply,
It is because the lacking me...
has become father to a child.

^^;

I never dreamed that I would one day
be responsible for another person.

And now that I look at this
newborn life, I feel a large weight.

I am also slightly scared seeing that my child is
quick in comparison to others the same age,

But I will give my utmost best to raise the
child, and work hard on my project as well!

Please understand the short-term notice
break, and I will see you next week!!

I apologize. Thank you.

BOOM

NEARLY ALL THE
STUDENTS HAVE BEEN
BRAINWASHED BY THESE
OBJECTS CALLED DICE!

ONCE I DISCOVERED
THIS, I LED YOU HERE
TO PROTECT YOU,
TEACHER CHUN.

STAGE :

Zugzwang

At this, Zugzwang is a forced move, a
concept of the International Rules of
the game of Go, meaning (literally)
"no move", and figuratively, "no choice".
The term originated in chess. In
endgame, it came to mean roughly "the
state of being forced to make a
move". In Go, but need not be that
the move itself and the game is a
more complicated than before.
